## VIBRANT SCHEME

The image shows a modular working wall system. On the left is a long, low-profile desk with a light-colored wood-grain finish and a dark brown metal frame. A small whiteboard is mounted on the wall above the desk. To the right of the desk is a cabinet with two drawers and a door, also in the same light wood-grain finish. Further right is a kitchenette unit with a dark brown metal frame, a white countertop, a stainless steel sink, a stainless steel dishwasher, and a stainless steel refrigerator. Above the countertop are two small wooden cabinets. Below the kitchenette unit are four circular color swatches: a dark brown wood-grain (F280), a light brown wood-grain (F249), a white speckled pattern (ST-039), and a dark grey textured pattern (M248-PC).

## DYNAMIC SCHEME

The image shows a modular working wall system, similar to the one in the Vibrant Scheme but with a different color palette. It includes a long, low-profile desk with a light-colored wood-grain finish and a dark brown metal frame. A small whiteboard is mounted on the wall above the desk. To the right of the desk is a cabinet with two drawers and a door, also in the same light wood-grain finish. Further right is a kitchenette unit with a dark brown metal frame, a white countertop, a stainless steel sink, a stainless steel dishwasher, and a stainless steel refrigerator. Above the countertop are two small wooden cabinets. Below the kitchenette unit are four circular color swatches: a dark brown wood-grain (F187), a light brown wood-grain (F294), a white speckled pattern (ST-039), and a solid black pattern (M003-PCM).
